July 2023

Dear Parents,

Welcome Back to Preschool. The summer went by so quickly and we hope everyone had some relaxing, fun family time. We are looking forward to seeing you and your sweet little ones back on campus again. If you are new, we welcome you as part of our wonderful preschool family. We are excited to get to know you and we are honored that you are entrusting your little ones to us for the 2023-2024 school year.

Our top priority and foremost concern is maintaining the health and safety of our children, faculty, staff and families. There are specific guidelines and procedures in place to ensure the high standard of safety and excellence you have come to expect at Southside United Methodist Preschool while allowing our children to enjoy the benefits of being in a healthy, happy learning environment with their friends and teachers.

The beginning of the school year is an exciting time! August 23rd is the first day of preschool! It is with great optimism that we are preparing for the start of preschool. Our updated Enrollment Packet is now available on our website for you to download and complete. If you have moved or changed your mailing address since completing your registration card in January 2023, please email your new contact information including your new address and email address to us at: sumcps@yahoo.com as soon as possible.
